### Custom Reports

With StudentAccess you can create virtually any report in a few simple steps. Just select the fields you want, choose filters to refine your results and run the report. It's that easy!

### Download to Excel

Want to work with your data in a spreadsheet? StudentAccess gives you the ability to send your custom reports to Excel!

### Quick Student Input & Quick Student Edit

Pressed for time? Our Quick Input & Quick Edit features allow you to enter or change basic student information quickly, so you can focus your time on students, not paperwork.

### Annual Performance Report

StudentAccess makes generating your APR a breeze! Automatically generate student performance and demographics sections with the click of a button!

### Attendance

Track student attendance at events and activities, plus how long they participated in the activity (durations).

### Rosters

Create Roster lists for target schools, activities, events, student groups, tutoring labs, anything you want to track.

### Follow Ups

Track follow-ups quickly and easily. Sort current or past follow-ups by target school, counselor/staff member or student first or last name.

### Customizable Drop Down Lists

Customize drop downs to fit your needs. StudentAccess includes several preconfigured lists which you can edit, delete or add new options to. Additionally, there are several custom fields which allow you to add new categories you would like to track.

### Scheduled Activities

With StudentAccess, tracking activities couldn't be easier. Enter a scheduled activity and you're ready to track who attended and for how long. Assigning a student roster to the activity means no long hours entering attendance information - simply check their name on the roster!

### Drill Down Reports

A special feature available within StudentAccess reports! When you see a hyperlink within a field name, simply click on the link to get more detailed information on that field. For example, when viewing the Contacts Summary Report, clicking on any of the available services will show you a list of students who received that service — along with the date, duration and counselor!
